

The BROADSIDER

October & November 2015

Covering the Broadside Benefice parishes of
Ranworth with Panxworth, South Walsham, Upton & Fishley, and Woodbastwick

Dear Friends,

In recent weeks media headlines have been broadcasting increasingly heart breaking images and news of the plight of asylum seekers, mainly from Syria, making perilous journeys and at time receiving a less than hospitable reception in Europe. With the picture of the small Syrian boy washed up on the beach in Turkey and the news of the tragedy just inside the Austrian Hungarian border, something switched in many of us, from a sense of helplessness and horror to prompt us to act. Politicians spoke in stronger tones about the need to consider our policy on asylum. The Archbishop of Canterbury added his voice to the call to revisit the tight restrictions on entry to the UK and countless groups and individuals united to talk and make an attempt to respond.

In each of the churches of our Benefice you will find leaflets containing suggestions for our response from the Church of England. These are intended to prompt conversation and are accompanied by candles – if you pray then please do so, if not then simply spend some moments contemplating our brothers and sisters facing an uncertain and dangerous future as they flee for their lives today.

Many Christian organisations have considered and then responded to the refugee crisis. I have recently been reading a Bible Society publication entitled “Migration.” It offers this profound reflection on the current situation:

“The Bible is, in great measure, a story about migrants, not one that deals in economies and figures but one that speaks of expectations and fears. Time and again it invites us to see the migrants life from the inside, indeed it invites us, no matter where we live or how far we have travelled from our birthplace, to identify ourselves with migrants.”

Most of the books of the Old Testament remind their readers not to forget that they too were once in the situation of seeking refuge in a foreign land. The Passover recalls the last-minute meal eaten before the Israelites left Egypt. They ate unleavened bread as there wasn't even time for yeast to rise. The Christian service of Holy Communion recalls this meal, and the words of Jesus calls his followers to re-live this fellowship in the face of great fear and uncertainty. The author of Matthew's gospel describes Jesus as a child refugee, with his parents he flees the country of his birth under threat from King Herod. From these Jewish origins, Christians identify with the notion of wandering in a strange land, fleeing persecution, gathering in fellowship and seeking justice and mercy.

I don't think anyone would suggest that there is a simple solution to the current refugee crisis, but perhaps we can agree that these issues cause us to think more deeply, to reflect on what it truly means to be human.

With all best wishes,
Helen Garrard

Remembrance Sunday Services Sunday, November 8th

There will be Services of Remembrance at Upton and South Walsham at 10.45am. The South Walsham service also covers the villages of North Burlingham, Panxworth, Ranworth and Woodbastwick. The Upton service covers Fishley as well. The names of all who gave their lives from these communities will be remembered by name and the collection will go to the Royal British Legion Poppy Fund, supporting ex-service personnel and their families in our age of continuing conflicts.

Remembrance Sunday Plus Peace Tea

Our morning services are followed by afternoon tea with a difference, the Remembrance Sunday Plus Peace Tea. This will be held at Upton Village Hall from 3.00pm-5.00pm, as we think about peace and how we can help to make peace. Come along to share in the refreshments, in making calendars for people in our community, and closing with short act of remembrance.

BENEFICE PRAYERS

OCTOBER

A Prayer for the Refugee Crisis

Heavenly Father,
you are the source of all
goodness, generosity and love.

We thank you for opening the hearts of many
to those who are fleeing for their lives.

Help us now to open our arms in welcome,
and reach out our hands in support,
that the desperate may find new hope,
and lives torn apart be restored.

We ask this in the name of Jesus Christ,
your Son, our Lord,
who fled persecution at His birth
and at His last, triumphed over death.

— Amen

Church of England

NOVEMBER

Prayer of St Francis of Assisi

Lord, make me an instrument of your peace.

Where there is hatred, let me sow love;

Where there is injury, pardon;

Where there is doubt, faith;

Where there is despair, hope;

Where there is darkness, light;

Where there is sadness, joy.

O Divine Master, grant that

I may not so much seek

To be consoled, as to console;

Not so much to be understood as

To understand; not so much to be

Loved as to love;

For it is in giving that we receive;

It is in pardoning, that we are pardoned;

It is in dying, that we awaken to eternal life.

— Amen

Room at the inn?

Small charity HOST is seeking friendly people who would like to learn more about other countries and cultures and share their home life with adult international students at UK universities. Young adults from many countries would love to have a short homely break and discover the real life of this country. Host Kit Millington-Hore wrote "Meeting students from around the world is hugely fulfilling and satisfying. Watching their pleasure as you introduce them to our ways

of living, particularly over Christmas, is extremely rewarding."

Visits can be for a day, weekend, or four days at Christmas. Offering a Christmas invitation to someone who would otherwise be alone on a University campus can make a big difference. Invitations are urgently needed from volunteer hosts, no matter their age, or how far they live from a university. To find out more, or to be put in touch with your local organiser, please visit www.hostuk.org or call 020 7739 6292.
